Good Evening everyone. I hope this message finds you well. I wanted to do a summary of the services regarding trash/street cleanup for the upcoming Night on Broadway event scheduled for this Saturday. But, first let me say thank you for all of your support. It means a whole lot to everyone involved.

OK, here goes.

We officially have the street closure set on Friday at 12pm to Sunday 3am from 2nd to 4th. Then, we have Saturday from 6am to Sunday 3am from 4th to 7th.

We have four entities involved to help keep our event and streets tidy.

Â· Both BIDs will continue to monitor and service their bins already in place within the closure. (Please note, attendees will be walking all the way down to the ACE, by Olympic, for showsâ!)

Â· Sanitation will be placing additional black and blue bins out for attendees to use strictly within the closure. They will only be servicing those bins.

Â· Sanitation is also bringing a roll off which will be placed off Broadway on the north side of 4th street. They have welcomed us to deposit trash in it as well.

Â· Street Services will be coming by late after our complete is over to do Street Sweeping.

If possible, can you please share who your day of contact will be? Including their cell phone.

Please let me know if you have any questions.

In addition, to review details once more Bladimir would like to have a short call to confirm the above. Please confirm you can make a call this coming Wednesday at 1030am. Please call [712.832.8310](tel:712.832.8310). Passcode 299218.

Again, thank you and I look forward to working with you all over the next few days!

Best,

Joella Hopkins, CSEP, CMP, MBA
